

## California Streaming Discovery/United Streaming Comparison

Comparison Criteria	California Streaming	Discovery Streaming
Selection of instructional materials	Selected by credentialed educators, strictly using California Education Code criteria	Instructional materials are selected by a commercial agency
Target market	California	Nationwide
Developer	County Offices of Education California County Education Technology Consortium (CCETC) (CA non-profit)	Discovery Communications, LLC (private “for profit” company)
Privacy/security	Districts are protected from “accidental exposure” of students to instructional materials, that are not board adopted and/or Education Code compliant.  No direction to/recommendation of websites outside the CA Streaming content	Student access to ANY and ALL videos and materials; some would be board approved/Education Code compliant and some may not be. Districts may risk potential parent complaints.  Not responsible for content of websites recommended to users
Additions to the collection	Balance maintained based upon need in subject area- users routinely consulted *Has Bill Nye	Materials added based upon availability and cost to Discovery Communications, LLC *No Bill Nye
Content	Academic, CA Standards aligned, CA Standards compliant and cataloged	Commercial product
Cost	\$	\$\$\$
